Benefits of Membership

- Receive a contemporary ceramics magazine, 'Ceramics Quarterly'
- Be able to participate in our prestigious national exhibitions
- Be eligible to apply for an annual scholarship offering assistance to attend an international conference
- Have access to a members only section of our comprehensive website providing information on national and international opportunities for conferences, exhibitions and residencies.
- Be able to have your own page on our website where you can profile your work.
- Have access to monthly updates of upcoming events and conferences on our website.
- Have the benefit of links to other craft groups and organizations
- Have the benefits of belonging to a national organization which is able to lobby at local and national level on behalf of the ceramics community
- Enjoy the benefits of NZSP sponsorship, of local exhibitions for NZSP members
- Be eligible to receive NZSP awards of excellence for selected exhibition pieces
- Be able to enjoy the benefits of a comprehensive resource pack for clubs and groups on how to set up employment contracts, apply for funds, prepare constitutional documents, access charitable trust information & many more guidance materials. (In preparation 2009)
- Enjoy reduced fees for our annual or bi annual conferences
- Benefit from the knowledge and collegiality which flows from a strong community of members of any national organization

Membership Information

To help us develop and grow NZ Potters, we would appreciate any comments you have about where you see we could improve our Society.
